(PJM) capacity market in the above-captioned proceeding on June 15, 2023, from approximately 12:00 p.m. to 5:00 p.m. Eastern Time. The first panel, the overview panel, will explore whether the PJM capacity market is achieving its objectives of ensuring resource adequacy at just and reasonable rates. The second panel, the technical panel, will discuss potential market design reforms that may be needed to ensure PJM's capacity market is achieving its objectives. The third panel, a roundtable with state representatives (including state Commissioners), will discuss their views and respond to the first and second panels' discussions. Additional detail on these topics and panels will be shared in subsequent notices.
